

**CSPA Judging Committee  
Report to the 2025 CSPA AGM**

The Committee is responsible for all aspects of judging, including the Competition Rules (PIM 4B), the Judge's Rating Program (PIM 4E) and judge's initial and recurrent training.

The current composition of the Committee is:

Vera Asquith  
Rina Gallo  
Randy Holmes, Chair  
Neil McGrath

During the last 12 months, the Committee has:

- Completed the annual update of the Competition Rules (PIM 4B).
- Held one virtual judging committee meeting.
- Continued the integration of SharePoint, for data management and knowledge transfer, to the routine business of the Judging Committee.
- Furthered development of the judges' resource library. The current collection of competition videos and results requires ongoing vetting and review to organize the data, so it is easily usable for instruction and practise judging.
- Supported the 2024 Canadian Virtual competition by judging the submitted videos using the InTime online system. On completion, a judging practise session was held for judges across the country, using the same InTime online system to judge videos retrieved from the resource library.
- Noted CSPA judges provided in-person support to 4 different competitions in Canada during the past year.
- Recorded that overall, in 2024 11 judges participated in 16 different competitions held both in Canada and internationally.

It has been an honor and privilege to work with this group of motivated and passionate volunteers.
