Congratulations on working towards your Coach 1 rating. This Portfolio is valid for one (1) year from the issue date, so long as your CSPA affiliation is kept current.

To certify your rating, you must complete the following items prior to the expiry date stated in your portfolio:

- Complete the Making Ethical Decisions – Instructional Stream [online evaluation](#) on the Coaching Association of Canada website
- *NOTE:* Allow 2-3 weeks for your NCCP# to be sent to you after the course paperwork is received by CSPA. If you haven't received your NCCP# after 3 weeks, send an email to ratings@cspa.ca.
- Logged a total of **75 jumps** (this may require additional personal jumps)
- Participate in **two (2) Coach 1 coaching jumps** with a novice (involving all phases of the skills grid each time)
- Complete **1 Evaluation Jump** directly observed (on the ground and in the air) and debriefed by a Certified Coach 2 after you have completed the 2 coaching contacts.
- Within **one (1) year** of the completing the Coach 1 Course, record the coaching contacts in this portfolio. When complete, have it signed by a Certified SSE or Certified C2 prior to submitting the portfolio.

Once you have completed the above requirements, please do the following:

1. **Maintain a copy of the Portfolio for your own personal records**
2. Email a scanned copy of the portfolio to office@cspa.ca. The scanned copy must be legible and “full” sized (not reduced).

Once this is done and approved, a new affiliation card will be sent to you and you will be a Certified Coach 1 with the CSPA. You will have to renew your CSPA affiliation and your rating according to the currency requirements outlined by CSPA.

If you do not complete the requirements before the expiry date in your portfolio you may request an extension. A valid reason is required. There is a \$25 fee for the processing of an extension request.

E-mail office@cspa.ca **before** your expiry date if you have any questions on extensions.

Coaching and Instructing is a rapidly developing area of our sport. Strive to keep yourself updated with new ideas in safety and techniques. Feel free to contact the Coaching Working Committee (CWC) with any questions, comments, or ideas that you may have at office@cspa.ca.

Requirements for the 2 Coaching Contacts

For your two coaching jumps, you are limited to those Coach 1 activities on the Skills Grid related to progression from Solo to A CoP. In your coaching jumps, you must consider and coach all areas of the skills grid and include an appropriately thorough briefing and debriefing. The minimum number of coaching jumps before attempting your evaluation jump is two, however you may certainly do more. You are encouraged to work on a variety of active coaching contacts for your Coach 1 certification. Your practice coaching jumps should be similar to the evaluation jump.

A minimum of two (2) in-air Coach 1 contacts are required before doing the Evaluation Jump supervised by a Certified Coach 2.

As a Coach 1 you are limited to those Coach 1 activities on the Skills Grid stages 5 - 8. Portfolios which include 2-way FS training (requiring a Coach 2 rating), sit fly or free fly (well outside the scope of a Coach 1), Tandem jumps (nothing to do with a Coach rating) or dispatching IAD/SL students (requiring a JM rating, nothing to do with Coach 1) will be returned to you with a note, with a copy sent to the LF and the signing person. Working outside the rating leaves you and the drop zone in a very precarious legal position and none of us would want to see something happen beyond your training level for the Coach 1 certification (regardless of what other courses you may have taken, or skills you believe you have acquired on your own).

NOTE: This page does not need to be sent to CSPA.
