The current composition of the Committee is:

During the last 12 months, the Committee has:

- Completed the annual update of the Competition Rules (PIM 4B). With only a few changes for 2021, the following disciplines were updated and available for the National Championships:
 - Accuracy Landing,
 - Freefall Style,
 - Formation Skydiving,
 - Canopy Formation,
 - Artistic Events,
 - Canopy Piloting,
 - Wingsuit Flying.
- Due to travel restrictions no Judging Seminar was held in 2021 nor were there any in person judging committee meetings.
- An initial draft of a new publication was produced by Vera Asquith and is being circulated for comment. The publication, "Meet Directors Handbook" provides guidelines for this critical role in the conduct of a national competition.
- Following the 2021 CSPA National Parachuting Championships at Parachutisme Voltige, the Chief Judge, Vera Asquith consolidated a list of proposed changes to PIM 4A – CNPC Hosting Manual which has been forwarded to the CNTC for consideration.

It has been an honor and privilege to work with this group of motivated, patient, and dedicated volunteers in this most challenging time.
